RELATIVE TO THE NATIONAL RECOVERY ACT

The Speaker laid before the House, for consideration at this time, the following resolution:

S. C. R. No. 2, Concerning enforcement of the National Recovery Act.

Whereas, The objectives of the National Recovery Act can be accomplished only through providing more productive pay rolls and consequent increased purchasing power; and

Whereas, Several hundred well conceived, economically sound, and financially feasible projects in the State of Texas alone are now awaiting action on the part of the Federal Government; and

Whereas, The welfare of our local communities during the winter months will be jeopardized by further delay of the public works program; now, therefore, be it

Resolved by the Senate, the House of Representatives concurring, That an appeal be made to the President of the United States to take steps to eliminate the discouraging delay of the past several weeks, and to translate the hopes of our people into actuality.

The resolution was read second time.

Mr. Moore moved to table the resolution.

The motion to table prevailed.

URGING THE ATTENDANCE OF THE UNITED STATES GOOD ROADS ASSOCIATION

The Speaker laid before the House, for consideration at this time, the following resolution:

S. C. R. No. 3, Relative to the United States Good Roads Association.

Whereas, The entire Nation is manifesting an increasing interest in the building of good roads, and is showing a greater appreciation of the necessity for the proper correlation of National systems of highways to best serve the various States; and

Whereas, The United States Good Roads Association is to hold its Twenty-first Annual Convention in this State at Beaumont, October 11, 12, and 13, 1933; now, therefore, be it

Resolved by the Senate of Texas, the House of Representatives concurring, That we join with the Governor in her invitation to all those in America interested in good roads, to attend the convention, assuring them, on behalf of the people of Texas, a cordial and hearty welcome; be it further

Resolved, That enrolled copies of this resolution be forwarded to Col. T. L. Kirkpatrick, President of the United States Good Roads Association, Charlotte, N. C., and to J. A. Rountree, Director General, United States Good Roads Association, Hotel Beaumont, Beaumont, Texas.

The resolution was read second time, and was adopted.

RELATIVE TO THE PRICE OF COTTON

Mr. Cathey offered the following resolution:

H. C. R. No. 3, Relative to fixing a fair price on cotton.

Whereas, The farmers of our Southland and especially of the State of Texas, believing in the wisdom, patriotism, and sympathy of our great President, Franklin D. Roosevelt, did heartily and in the best of faith cooperate with the Secretary of the Department of Agriculture and the agencies of said department in an effort to enhance and stabilize the price of the present cotton crop by plowing up or otherwise destroying a large and the required part of said crop; and,

Whereas, The payment by the Government of the cotton rentals upon the acreage of the cotton that was plowed up, or otherwise eliminated, has been much longer delayed than was expected by the farmers when they entered into the crop-elimination contracts; and,

Whereas, The farmers of Texas and the whole South are now in the midst of harvesting the cotton crop of the year 1933, and the price of cotton, notwithstanding the action heretofore taken, is still distressingly low, fluctuating, and unstable, and the farmers are having to sell their cotton, now being picked and gathered, at a price but little better, only a cent or two, than it was selling for at the corresponding season last year; and,

Whereas, Practically all other products of the farm and ranch that the Southern farmer brings to market, such as cattle, hogs, milk and butter, poultry and eggs, are at the lowest ebb; and,

Whereas, It is believed by almost everyone that the cotton speculator and gambler in the operation of our cotton exchanges or otherwise, are having much, and have had much, to do in depressing and keeping down the price of cotton; and,

Whereas, By reason of the unusual shortage in feed stuff in a large part of our State, the present low price of cotton, and the increasing price of those things and necessities which the farmer is compelled to buy, our cotton farmers will be, at the close of this cotton season, in a more deplorable financial condition than they were in at the close of last year's season; and,

Whereas, The prosperity of our cotton farmers is a prime factor in the general prosperity of all our citizens, and the prosperity—the buying power—of the farmers is contingent mainly on their obtaining a fair and reasonable price for their cotton; and,

Whereas, The Government has and is making an effort to set the price on all commodities other than cotton, and set the prices of wages and salaries to be paid to different employes throughout the country; and,

Whereas, In view of the situation that now confronts them and which must, it seems, confront them in just a few months, our cotton farmers, though usually hopeful and patient, are naturally becoming discouraged,

disheartened, discontented, and sorely perplexed, and are needing and demanding relief; now, therefore, be it

Resolved by the House of Representatives, the Senate concurring, That the Forty-third Legislature of the State of Texas, convened in Extraordinary Session, do hereby, in all sincerity, recommend and earnestly and urgently request that the Hon. Henry A. Wallace, Secretary of the Department of Agriculture, and all the agencies of said department, and any and all others having authority in the premises, use his and their utmost influence and power in a strenuous effort to bring about an immediate substantial enhancement by fixing a just and equitable price of the present cotton crop and that this be done before said crop has passed from the hands of the producing farmer. The situation calls for prompt, drastic, and fearless action on the part of the powers that be. Let vicious and selfish cotton gambling be suppressed. Let conspiracies in restraint of fair and untrammelled trade be brought to justice. Let destructive tariffs be removed and foreign markets opened up to our surplus cotton. Let those at the helm fail us not in this hour of stress and storm. Be it further

Resolved, That a copy of this resolution be mailed each to the President of the United States, the Secretary of the Department of Agriculture, and the Secretary of Justice.

CATHEY,
MORRISON,
FAIN,
MOFFETT,
McCULLOUGH.

The resolution was read second time, and was adopted.
